

To Start \$5,000 Street Improvement Program

Surfaces of Arterial Streets To Be Repaired; Use Gas Tax Funds

Eight streets, specified as arterial roads will have surfaces repaired under a program that was O. K'd by the Arlington Heights village board Monday night. A resolution was passed asking the state highway department to give its approval for the use of \$5,000 in gas tax funds for resurfacing and sealing of

Campbell, from section line to Wilke road.
Campbell, from Vail to Ridge.
Hawthorne, Chestnut to State.
South, Dunton to State.
Sigwalt, Dunton to State.
Dunton, Willow to South.
Douglas, Kensington to Minor.
Euclid, Walnut to Douglas.
Walnut, Euclid to N.-W. highway.

The estimated cost is nearly \$5,000. The board will ask the state to authorize the use of Mexican asphalt, which is higher quality than plain asphalt.

George Harris, superintendent of treatment plant, is unwilling to accept the "say so" of a pump representative that all is well with the newly installed pump placed in service recently by the Chicago Pump Co. There is a difference of 400 gallons between the meter reading of the pump and the word of the representative who claims to have checked the pump and found everything O. K. A meter expert will be called in.

The fire department has offered to loan the village \$700 to be used in part payment on fire truck which is due this month, provided that the village repay the loan at the rate of 75 a month. No interest would be charged.

A general discussion of outstanding indebtedness of the village, including \$8,000 due the Public Service Co. ended in a decision to hold an adjourned meeting July 22 for the purpose of passing tax levy ordinance and the necessary resolution authorizing the sale of tax warrants to be issued as the funds are needed. Practically \$13,000 will be needed to pay present obligations and fire truck note.

A sidewalk will be constructed on West Wing st. by WPA with purchase of materials by property owners.

A street light will be installed at the intersection of Fairview and Banbury rd. in Skarsdale.

Reports of various departments and the treasurer were read and approved. Bills approved:

Suburban Champions To Meet Heidorn's Softball Team

The Busse Buicks of Park Ridge, 1939, Suburban Champions of Chicago, will meet Heidorn's Sweet Shop of Arlington Heights at the Arlington Heights Recreation Park July 20. The game will begin at 7:00 p. m.

Howie Flug, star left-handed pitcher, will be on the mound for Heidorn's. Flug, who last year pitched for Litzinger Motors and Bob O'Farrell's Recreation, is ranked as one of the outstanding pitchers in Illinois. It is a known fact that when "Howie" is on not even an array of sluggers like the Buicks have, can muster much hitting off his delivery. "Red" Weisgerber, outstanding receiver in the Arlington Heights softball league, will catch Flug.

This game has been especially arranged to show the fans of Arlington and vicinity the brand of softball that is played by the big leaguers of softball. This may be the only opportunity of the year for many fans to see a team of the Busse Buicks class play in Arlington.

Swimming Pool Has Its First Mystery

Park Board Sends For Expert To Locate 10,000,000 Gallons

"It can't be true," says the park board.

"But it is," says the water department of the village of Arlington Heights.

The park board sent for an expert to unravel the mystery as to what happened to ten million gallons of water between the meter and swimming pool. The water department claim to have the answer, viz: "a broken five inch water main."

The park board is admitting nothing.

The only existing evidence is a \$1200 water bill that the municipality insists must be paid. Since the tenth of the month, the usual penalty has raised the bill to \$1400. Ten million gallons is a powerful lot of water. The large water tank holds 500,000 gallons. If 10,000,000 gallons of water went thru the meters at the field house, it means that the municipality had to fill that large tank twenty times, which costs a lot of money.

Mystery Number Two

A few months ago the village magnanimously transferred by deed all of the park property within the municipality to the park board.

Today, the village wants one tract returned to them, so that it can be used for the sinking of a new deep well in order to supply the water that is needed by the park board and other large commercial users. Such a request was sent to the park board a month ago.

Clerk A. L. McElhose was instructed by the village board Monday night to find the answer to mystery number two — why the park board has not returned the land or made a reply to the request.

Is there a Nigger in the woodpile?

For the past few months, the park board has been suggesting that the municipality be a big brother and supply the swimming pool with water at no cost to the park board.

The village board has not given a definite answer regarding free water and the park board has not given a definite answer regarding the return of that lot.

Perhaps what is needed is a blitzkrieg by one group or the other.

Official Family To Eat 23 Pounds Of Muskie Friday

Rumors about a 23 pound muskie reared the Herald office Friday. The reporter located the muskie in the large refrigerator at the Arlington Cafe. Mr. Ladas admitted that he had orders to "carve the steak" Friday morning, also that various members of the official family of the municipality would receive a "hunk." Efforts to find a story to accompany the muskie were unavailing.

Mayor Flentz admitted that he was away two days last week on a fishing trip, but the reporter could not get "yes" or "no." So folks, we have a big fish, but no fish story.

Lutheran Sunday School Picnic Is Saturday

The hundreds of boys and girls attending St. Peter Lutheran Sunday School will be treated to a picnic that will meet every expectation. The annual outing is Saturday afternoon at the Elk Grove Forest Preserve, south of Higgins road. Youngsters having no transportation are requested to assemble at the school building at 2 p. m. Trucks will be available to transport them to the grounds.

Mothers, fathers, and friends are asked to make a day of it and enjoy the program of fun and refreshments planned by the Sunday School staff.

Mrs. Walter Schroeder Dies In Hospital

Mrs. Walter Schroeder, who recently moved to Downers Grove, died Tuesday evening in the University hospital, Chicago. Remains are at Lauterburg & Oehler chapel. Deceased leaves her husband, three children, Mrs. Emil Van Steenkiste, Walter, Jr., Shirley Mae and her parents, Mr. and Mrs. Albert Humberg.

District 24 Approves \$6,000 Bond Issue

There are two hundred voters in Hillside, school district 24, north of Arlington Heights, but only twenty-nine of them went to the polls Saturday night to vote on the \$6,000 bond issue for the erection of an addition to the school house.

Twenty-seven voted in favor of the proposition, one vote was void and there was only one negative vote.

The board of directors will meet Monday night to open bids on the structure. They hope to have work started at once so that the addition will be ready early in the fall.

Semi-Annual Billing Of Subscribers

The business office of Paddock Publications has just completed the semi-annual billing of all subscribers whose expiration dates are in arrears. Such billing is done to remind subscribers of the amount they are indebted to the publishers of their home paper. Periodical billing also guards against possible errors.

The publishers of this paper have received many compliments the past few months regarding the quality of the publications. They have been liberal in news pictures and have gone to considerable expense to supply other features. We are glad that our subscribers appreciate the improved paper and in turn ask the subscribers to make their subscription payments as soon as possible.

A franked envelope was enclosed with all of the invoices which we hope will make unnecessary a personal call.

Dental Clinic Finds 89 Per Cent Of School Children Need Care

The results of the dental program launched last fall by the Arlington Heights Public Health Committee and the local dentists were revealed this week in a report by Mrs. Adele Pino, community nurse.

The program reached 799 children with examinations and provided corrections for the youngsters of parents who could not afford such care.

The full dental survey, reaching 96% of the total school enrollment, showed that 89% of these children were in need of dental care. Five or more cavities were found in the mouths of 37% of the children. Almost 83% of the group needed their teeth cleaned, and 43% or them had one or more cavities.

A strong dental education program of talks, movies, displays, pamphlets and newspaper articles resulted in 55.7% of the children securing complete dental care. For the 85 children whose parents could not provide treatment, a clinic was conducted four mornings a week in the offices of Dr. Baumann, Dr. Bostian, Dr. Hill and Dr. Dunn.

Seventy-four of these children completed all dental corrections at the clinic. One child came to the clinic 14 times; one youngster had 10 extractions, and another child had 11 fillings. A total of 17 corrections were needed and given to one youngster.

The clinic was financed by an appropriation from the Arlington Heights Public Health Committee, and by contributions from the local dentists, the Nurses' club, the Merle Guild American Legion Post, Mother's club and private individuals. Those parents who could, paid twenty-five cents for each dental visit.

Scouts Learn Time Flies At Camp Oh-Da-Ko-Ta

The camping season at Camp Oh-Da-Ko-Ta, the scout camp for the scouts of the Northwest Suburban Council has been a very successful one this year with camp filled to capacity each period. This week 104 enthusiastic campers are enrolled and are sure enjoying the scouting program.

For the second period at camp, Eagle Scout Klaus Timmerhaus of Troop 9, Palatine, was selected as honor camper and Thos. Fordham of Troop 3 Park Ridge, was selected as alternate.

For the third period Howard Wertz of Troop 15 Niles Center, was selected honor camper and William Williams of Troop 7 Arlington Heights, was selected as alternate. Following the close of camp, the honor campers are going on a special camping trip into Northern Wisconsin.

In addition to those initiated the first period of camp the following have been initiated as members of the Order of the Arrow, the national society of honor campers: Thomas Cook of Troop 15 and William Dickinson of Troop 26 Niles Center; William Warkentin of Troop 12 and Robt. Melzer of Troop 14 Des Plaines; Edwin Jones of Troop 9 Palatine; Elmer Christensen, Lyman Jones and Kenneth Saunders of Troop 2 and Boyd Johnson of Troop 3 Park Ridge.

The enrollment for the 5th period is completely filled but there is still room for registrations for the 6th period, July 28 to Aug. 4, and the 7th period, Aug. 4-11. Registrations should be sent to scout headquarters immediately in order to insure a place.

Filed to capacity the camp provides facilities for swimming, hiking, fishing and games and opportunity to study advanced scouting and prepare themselves for higher ratings in scouting activities.

Two physical examinations were necessary before entering camp, one prior to leaving Arlington Heights, and another at Camp Oh-Da-Ko-Ta. Dr. Walter A. Schimmel, of Arlington Heights, proved he was a good scout by donating his services and gave examinations at the camp.

County Board Ok's Hospital For Camp Reinberg

Deer Grove Camp Becoming Model Of Efficiency

Cook County Board of Commissioners this week appropriated \$5,000 for a hospital at Camp Reinberg in Deer Grove. Work on the structure will be done with the aid of CCC boys and will be started early next month. The hospital is part of the building plan that was prepared by Stanley O'Carroll and Mr. Moss two years ago. Three units of five buildings each have been completed for the girls camp and are being used this year.

The hospital unit will be built in the form of a cross. The main section will be 75 feet long and will contain waiting and examination rooms, dispensary, kitchen, baths. At the rear will be the isolation ward. Two wards, one each for girls and boys, will extend from the center of the main building. The structure will be well constructed, insulated and strictly sanitary.

Temporary buildings of the original Camp Reinberg are being gradually replaced by new buildings which add to the comfort and efficiency of the camp.

With the opening of the new girls camp of cottages, the old girl's dormitory which had accommodations for 150 girls has been remodeled and divided into two sections for junior boys and girls between five and eight years of age. Recreational rooms are provided for each. A new playground, larger than formerly and better equipped, is being used exclusively by that group.

Each of the girls cottage groups has a recreation building 20x24 for the exclusive use of the 32 girls in the particular group.

There is a piano in every recreational room, rugs on the floors, tables and attractive curtains at the windows. These rooms serve four cottages, which in turn are the homes of eight girls, and a senior counselor whose job it is to see that all under her charge take part in the activities of the camp.

These buildings have every accommodation and while open to the weather when it is suitable, sliding doors can shut off the outdoors. The counselors are nearly all college girls, five of them being trained in kindergarten work.

The entire camp, which comprises Supt. O'Carroll and a staff of seventy-six are proud of the new station wagon, purchased for the camp from funds saved from last year's appropriation. The station wagon can easily be transformed into an ambulance.

The second group of guests known as the heart group, are now in camp. They came from thirty-nine hospitals and clinics and will leave Saturday.

The nightly programs are open to the general public. There will be no programs the coming Saturday or Sunday nights.

Use Slugs In Coin Boxes But Pay Judge \$50

Detectives in the employ of the Illinois Bell Telephone Co. captured two race trackers Saturday who admitted before Judge Carl Behrens that they had used slugs in telephone coin boxes in making long distance phone calls from various booths in Arlington Heights, since the start of the racing season. The judge assessed a fine of \$50 and costs, which money was advanced by a local business man in order that the two men could stay out of jail. The two who came to grief are Mitchell Shaheen and Charles Heim. They are reported to be in the employ of a large Detroit bookie. It is their job to watch the early morning work outs and advise their employer by phone what horses look good to them. In turn, the employer is able to "cover" excessive bets made at his shop on such horses.

The capture was easily done. The two detectives were stationed in a local drug store where they watched the telephone booth. The coin box in the booth had been emptied by them. Suspicious of the two race trackers, the detectives examined the coin box immediately after they had completed a Detroit call. Instead of \$1.50 in the box, there were six slugs.

Following their payment of the fine, the two men had only one grievance. The local business man who advanced the \$50 for them, charged them \$8.25 interest for the two days that he had to wait for the return of his money.

Two-Way Radio For Police Now Assured

Net Receipts Of Police Benefit Over \$800

The general public showed its appreciation and confidence in the Arlington Heights police department last Saturday night by its attendance at the police benefit ball at Dad's Arlington Ballroom. The net receipts are over \$800, which assures a two way radio hookup with the county. There will remain a large balance that will be available for other needs of the department. One of the latter is the purchase of electric warning lanterns for use in cases of accidents.

Walther Leagues Plan \$68,000 Structure For New Headquarters

Thieves Take \$2,000 Goods At Des Plaines

Enter Tailor and Cleaning Shop

Burglars seem to have a spite at Center st. in Des Plaines for Sunday night for the second time in a few months, they entered a place and got away with an estimated \$2,000 worth of merchandise. The Center Tailor and Cleaning shop, 710 Center st. owned and operated by A. Bockie, was broken into and robbed some time Sunday night between 1 and 3:30 a. m.

The burglary was discovered by John Hammerl, night watchman, as he was making his rounds in that territory. Police believe that entrance had been gained through a rear window which had been pried open with a pry bar.

Mr. Hammerl told police that he had passed the place at about 1 a. m. and found the front door open.

Glancing about the place it appeared all right and he thought the place had accidentally been left open by some one coming from inside. He locked the door and left a note stating he had found it opened.

At 3:30 he was between the buildings making his rounds when he discovered some spools of thread and a button hole cutter. Suspecting that something was wrong he went to the rear of the building to find the opened window. He called police and Mr. Bockie.

Clearance Sales Are Heralded By Arlington Stores

Mid-summer clearance sales take the spotlight in "downtown" Arlington this week as leading stores feature scores of big values at greatly reduced prices. With the closing of the summer season officially set at Sept. 21, there are still many weeks of the outdoor weather ahead so fashion wise and value wise people will want to visit the local marts for the things they'll need to carry them through until fall.

Among the stores featuring summer merchandise this week at new low prices is Hartmann's Shoe Store with a glamorous array of white and sports footwear attractively displayed to help you quickly make your selections.

The Gieseke Store announces a "sewing bee" sale which offers a beautiful assortment of yard goods at special prices. In addition Gieseke's have some real values in sportswear for every member of the family.

The Arlington Bootery has some real news for the ladies with the announcement that many styles of their famous Red Cross shoes are now offered for a limited time only at a big discount. All other white and sports footwear, including Paris Fashion, has been marked down.

At the Emerald Shop the semi-annual clearance sale starts Saturday and lasts just one week. Dresses, hats, hosiery, sportswear, and swim suits have been given new price tags, some showing a reduction from the regular prices of as much as 40 per cent.

Band Music To Precede Swimming Races At Recreation Park

The 45 piece band of St. Mary's Training School will give a band concert at the Arlington Recreation Park next Wednesday from 8 to 9 p. m. The service of this well known band was secured by the park district and no charge will be made. The commissioners hope the music lovers of Arlington Heights will take this opportunity of hearing this excellent unit.

An added attraction for the evening will be a series of swimming races and a diving exhibition immediately following the band concert. The number of contestants will be limited to the first ten filing their entries with Elmer Schmitz, captain of the life guards. Distance for all races will be the length of the pool (50 yards).

Schedule of events: Men's race, boys' race (boys under 16), women's race, girls' race (girls under 16), race track sweepstakes (limited to our friends from Arlington Park).

Prizes will be awarded to first and second place winners of each race.

Firemen's Tickets

Firemen's Tickets are now on sale and can be obtained at local business houses. The annual picnic and dance will be held at Recreation Park, Arlington Heights Sept. 1 and 2. Many fine prizes will be given away.

International Offices Moved From Canada To Chicago

Plans were completed this week for the new headquarters building of the International Walther League which will be constructed on the near north side next spring. The cost of the building, set at \$65,000, will be taken from the \$100,000 Golden Anniversary fund, which will be approved and launched at the 48th international convention of this Lutheran young people's organization, August 25 to 28, in the Stevens hotel.

This fund is expected to be raised through the 2,500 individual societies by 1943, the year in which the 50th anniversary will be celebrated. The remainder of the \$100,000 will be used for scholarships and the training of outstanding young persons of the Synodical Conference, one of the major Lutheran bodies.

The new headquarters building, 100 by 60 feet, will be constructed of Indiana limestone in Gothic style. The definite site will be selected soon. Two stories high, it will provide facilities for the staff of 25 and also furnish an office for the Synodical Conference president. A tower three stories high on one side will add to the beauty of the building.

Tentative plans have also been drawn for the addition of the third floor to house the law department of Valparaiso university, Valparaiso, Indiana, a Lutheran institution.

The main floor of the building will be comprised of a lobby, main office, library and conference room, display room, general offices, Synodical office, auditor's office, storage and shipping room, and a mimeographing and addressing room. The second floor will contain six large offices and five smaller.

For the third floor, the plans include a dean's office, faculty library, and two large classrooms.

The present headquarters of the Walther League, whose membership totals nearly one hundred thousand Lutheran young people in the United States, Canada and other foreign countries, are located in a frame structure at 6438 South Eggleston Avenue, Chicago.

The staff at headquarters consists of the Rev. O. P. Kretzmann, executive secretary; W. F. Weierman, assistant executive secretary in charge of Christian service; Otto A. Dorn, assistant executive secretary in charge of administration; the Rev. Thomas Coates, assistant to the executive secretary, and 21 others. Henry Buck, an attorney of Kansas City, Missouri, is the president.

The international convention of the Walther League, which was transferred to Chicago from Ottawa, Canada, because of the war demands on the Canadian young people, is expected to attract about 2,000 from all parts of the United States and several foreign countries.

In addition to the regular sessions, the program includes a choral union concert, a talent quest, a banquet, a lake cruise, and lobby singing in the hotel.

The Northern Illinois district of the Walther League, comprised of 221 societies, is serving as the host for the convention, under the chairmanship of Edwin A. Kuecker, 7218 Prairie avenue; William Zeiter, 4121 West Henderson street, and Hugo F. Malte, 2439 Farwell avenue, are the vice-chairmen.

County Firemen Complete Program For Annual Field Day

The recent Chicago police and firemen's show has nothing on the local field day that the Cook County Firemen's Suburban Association are planning for Saturday and Sunday, July 27 and 28 at Linne Woods, Morton Grove. The Morton Grove department has erected a drill tower around which the various companies will have the opportunity to "do their stuff." The demonstration given by the firemen on the ground and the tower will occur during the afternoon each day and will follow a parade of firemen and fire equipment.

Water fights between the many towns will take place at seven o'clock both Saturday and Sunday. Dancing will take place each evening. There will be many games afternoon and evening and prize awards that will culminate Sunday evening for a G-E refrigerator and a 1940 Chevrolet car.

Mrs. Wm. Harth Dies As Sick Husband Sleeps

Mrs. Wm. Harth, 315 East Euclid, Arlington Heights, urged her husband to rest Wednesday afternoon. When he awoke at 4:30 he found the lifeless body of his wife sitting at the kitchen table. Mrs. Harth had consulted a doctor, but did not consider herself dangerously ill while her husband has been in a serious condition for some time. Their ages are 78 and 80 years. The two lived alone at the above address.

The remains are at the Lauterburg and Oehler chapel, but definite date for the funeral has not been set as the Herald goes to press.

CHRISTIAN SCIENCE CHURCHES
"Sacrament" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, July 14.
The Golden Text was, "The hour cometh, and now is, when the true worshippers shall worship the Father in spirit and in truth: for the Father seeketh such to worship him" (John 4:23).

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "And as they did eat, Jesus took bread, and blessed, and brake it, and gave to them, and said, Take, eat: this is my body. And he took the cup, and when he had given thanks, gave it to them: and they all drank of it. And he said unto them, This is my blood of the new testament, which is shed for many" (Mark 14:22-24).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Are all who eat bread and drink wine in memory of Jesus willing truly to drink his cup, take his cross, and leave all for the Christ-principle? If all who seek his commemoration through material symbols will take up the cross, heal the sick, cast out evils, and preach Christ, or Truth, to the poor,—the receptive thought,—they will bring in the millennium" (pp. 33, 34).

That First Tooth

By C. W. Lussman
Of Sieburg's Pharmacy

Baby's first tooth is an exciting event. What a furor it causes! Everybody in the family is happy about it.

It is even more important, that first tooth than the nineteen that are to follow it, than we can quite realize. Dental care should begin with those baby teeth. Neglect them, and the permanent teeth will suffer.

Summer months are a good time to see the dentist and have him check the youngster's "baby teeth." If any work is needed, have it attended to during the relaxing vacation weeks. Fall brings exacting duties and often postponement of something which does not seem urgent, but which really is all important.

For all dental supplies, patronize a real druggist.

Classic Week At Arlington

The greatest race meeting in the history of Arlington Park reaches its peak this week-end with the running of the \$55,000 Arlington Classic on Saturday.

This feature race for three year olds promises to do as the Classic has done so many times before, go a long way toward deciding the three year old championship of the year.

The best three year olds in training will face the starter in the Classic and it should be one of the greatest races ever run at Arlington Park.

Following the showing which he made in the Classic trial last Saturday, Mrs. Ethel V. Mars Gallahadon, winner of the Kentucky Derby, looms as the horse to beat in the Classic.

In the trial Gallahadon came from behind to make a show of his field which included the much touted Andy K and other Classic entrants.

Col. E. R. Bradley's great colt, Bimelich, is coming from the east to battle for the three year old championship against his old rival Gallahadon and with these two outstanding colts, together with Roman, Andy K. and several other of the leading stake horses of the country in the race the Classic should be the race of the year for the race fans and horse lovers.

Last Saturday another banner holiday crowd turned out to see the running of the Lassie Stakes and a fine supporting card and a joyous holiday spirit poured practically three quarters of a million dollars through the mutual machines.

This week the crowds at Arlington Park have been swelled by the attendance of delegates and visitors to the Democratic convention, the delegates finding that their job of picking a candidate for president isn't any more important than trying to pick a few winners.

With the famous Classic this Saturday and the Arlington Futurity next Saturday the Arlington Park meeting is due to reach new heights in all departments and the 1940 season will be written into the record books as the greatest and most successful in the history of this beautiful race course.

A Republican Meets Democratic President

Friends of Geo. K. Volz who received postal cards from him this week are willing to gamble that he got a bit of a thrill over meeting President Roosevelt on the Potomac

Services will be held from the Sommerfeld home to St. John's Lutheran church, Elk Grove, Friday at 2 o'clock. Interment will be at St. John's cemetery in Elk Grove, with Rev. Davies of Oak Park officiating.

Mrs. Sommerfeld is survived by her husband, Chris Sommerfeld, and one brother.

IN MEMORIAM

Richard Hellberg — In loving memory of our darling little son and brother, Dickie, who passed away five years ago today, July 19, 1940.

We miss you dearest Dickie And when others are asleep Our pillow oft is dampened, By the bitter tears we weep, Your vacant chair has not been filled, No one can take your place, Oh happy will be the day when the roll is called And we shall see you face to face. Loving Mother, Daddy and Sister Carole.

IMPROVE YOUR APPEARANCE

Ugly spectacles have gone the way of hoop-skirts and mustache cups. No longer need one shun glasses because they detract from appearance.

Nowadays, eyewear is designed like fine jewelry—delicately and gracefully. There are styles to blend with every shape of face—styles that are inconspicuous and becoming.

Come in and see these distinctive glasses. And if your eyes haven't been examined recently, do that now, too.

Mr. and Mrs. Paul E. Patrick and son, Lynn, returned Friday afternoon from their vacation trip to Yellowstone Park. After leaving Yellowstone, they visited Grand Tetan National Park and Medicine Bow in Wyoming, and Rocky Mountain Park and Pikes Peak in Colorado.

There are advantages in buying COAL NOW

We recommend that you purchase your winter's supply of coal now, or as much of it as possible. Prices will definitely go up after August 1, and coal deliveries will become more difficult this fall as the railroads start to handle Defense Program business. Besides, we believe that you will be assured a better grade of coal if you buy this summer.

"ARO" GAS Meets State Tests .. Approved Quality COSTS You LESS!

The picture below shows "Stubby" Meyer, state gasoline inspector, checking the contents of a big Aro gasoline transport truck ready to unload at the local station. The inspector found Aro gasoline O. K. . . . and that is what all Aro customers are finding right along.

THE MYSTERY IS OUT! You Don't Buy 'Extras'

Many of our customers ask us why we can sell state approved gasolines at prices less than they ordinarily pay. It's really not a mystery . . . We got rid of the middleman. We buy our gasolines direct from refineries and transport them in our own trucks. In other words we've cut out all the "extras." That means you pay less for quality gasolines when you buy them at the Aro Service Station.

The Brake Dokter says:

You may slide along with DEFECTIVE BRAKES for a long time But it always happens!

Do your brakes chatter . . squeal . . groan or require frequent adjustment? If they do, on an emergency stop your life may be in danger and you would rightly have the jitters, if you knew that when Brakes do these things they are really dangerous to safe operation of your car.

In keeping with our policy of having the most modern safety equipment money can buy, we have just installed an almost human machine called the BRAKE DOKTER . . . The BRAKE DOKTER is an ingenious device which detects instantly the causes of squeals, chattering, groans, etc., in Brakes and quickly eliminates them . . . You will be amazed at the tremendous improvement it will make in your Brakes. No longer is it necessary to guess at why your brakes are not correct. The BRAKE DOKTER shows you right on your own car!

There is no charge made for the use of the BRAKE DOKTER in connection with any brake work on your car, as it actually saves time. Come in and see for yourself what causes that squeak, chatter, groan, hard pedal or unevenness in your brakes.

Using the Brake Dokter at the time of a routine job will increase the life of the lining at least 50 per cent.

July meeting of the Ninth district American Legion Auxiliary will be held at Riss Park field house, Fullerton ave., July 18, at 8 p. m. Election of officers will be held at this meeting and annual reports read. Mrs. Jeannette Pecchia, president of Arlington Heights, will preside.

The history and committee reports will be read. All able-bodied members of Merle Guild Post will be needed for work at the legion festival on Thursday. The drawing for the quilt will take place Saturday night. Please leave books at the refreshment booth.

O. E. S. Notice

There will not be any O. E. S. meeting until Thursday, August 22, as the officers and members are taking a much needed vacation.

Mr. and Mrs. Jack Monroe and family were guests at the Robert Fellingham summer home at Tower Lake, Sunday.

Thursday, Mrs. Carlton Smith will entertain her card club.

Anyone interested in buying tickets on the hand made quilt to be raffled off Saturday night at the carnival is urged to buy now. Tickets are five cents or six for a quartet.

Miss Gertrude Nitz of Libertyville Is Bride of Vernon Hagenbring

Wearing a gown of white chiffon and Chantilly lace, a tulle finger tip veil framing her face, and carrying a bouquet of lilies and larkspur, Gertrude Nitz of Libertyville was united in marriage with Vernon Hagenbring of Arlington Heights. The wedding rites were performed in the late afternoon of Thursday, July 11 at St. John's Evangelical church.

Maid of honor, Arlene Panzer, was dressed in a royal blue chiffon redingote over pale pink taffeta. She carried a spray of pink, white and blue flowers and in her hair she wore taffeta flowers. Bridesmaids were the bride's sister, Erna, and Mrs. William Sandberg of Grayslake. Miss Nitz wore pale pink taffeta with mousseline de soie trimming, and Mrs. Sandberg's gown was in royal blue taffeta with the same trimming. Both of them carried blue, pink and white flowers in large hats. The bridesmaids also wore taffeta flowers in their hair.

The bridegroom had as his best man Frank Mertes of Arlington Heights and ushers were Jack Bretsnyder of Palatine and Hugh Sasmann of Arlington Heights.

The bride's mother was attired in a chocolate brown sheer with accessories of white. Accenting her ensemble was a corsage of turquoise flowers. Mrs. Hagenbring wore a moss green tailored frock. Her accessories were brown and her flowers were white roses.

The bride, a graduate of the Libertyville high school, is the daughter of Mr. and Mrs. William Nitz of 331 Wright court, Libertyville. Mr. Hagenbring was graduated from the Arlington Heights high school. He is the son of Mr. and Mrs. Henry Hagenbring of Arlington Heights.

Immediately following the ceremony, dinner was served at the Mount Prospect Country club for relatives and the wedding party. There was a reception for friends at eight o'clock in the evening.

The bride and bridegroom left Thursday evening for Magnolia Springs, Alabama and Florida. They will be on their wedding trip for three weeks and will return to live in Arlington Heights.

Mr. and Mrs. C. H. Mills visited relatives at Ottawa, and went to Starved Rock over the week-end. Mrs. Jack Monroe entertained her bridge club last Friday. Mrs. Harry Seibert and Mrs. N. K. Barr had high scores.

Mrs. Wagner, Mrs. Dan Schueren, daughter Ingrid, and Mrs. Albert of California went to Elmhurst Tuesday to enjoy luncheon at the home of Mrs. Petersen.

Mr. Smith of Arlington Heights and Mr. Sobwick, Prospect Heights are leaving on a week's fishing trip in Wisconsin.

Mrs. S. A. Baker is attending a luncheon and an afternoon of cards in Barrington, Thursday.

Little Carol Fellingham is at the home of Mr. and Mrs. Jack Monroe for an indefinite stay while her mother undergoes an operation. Her father, Paul Fellingham, is spending this week there, also.

Mr. and Mrs. N. K. Barr and Neil King enjoyed last week-end at Monticello and Rensselaer, Ind. Mrs. Marvin Prellberg entertained her Sunday evening card club at dinner and bridge.

A group of high school students had an evening of fun and dancing last Friday. The occasion was the Sanford Hop which took place at the Field House, with Myrland Sanford's orchestra providing the music.

Mr. and Mrs. H. I. Haugen attended a gathering at McHenry on Saturday. Everyone came to see the new speed boat belonging to their hosts. They all were taken for rides up and down the river.

Mr. and Mrs. J. F. Manz spent Sunday in Milwaukee visiting relatives.

Dolores Henke entertained ten neighborhood children in honor of her twelfth birthday. They journeyed to Deer Grove for a hike, returning to her home for ice cream and cake. Dolores received many lovely gifts for the occasion.

Mrs. V. A. Pecchia honored 18 presidents of the ninth district of the American Legion Auxiliary at a luncheon at her home, Wednesday. These presidents were her guests by fulfilling their quota in membership. She is the ninth district director.

Members of the choir of the Presbyterian church held a picnic at Deer Grove, Tuesday. R. M. Carlson, formerly of Arlington Heights, passed away July 11 at Elmhurst hospital. Funeral services were Saturday afternoon at Dreshler Funeral home, 203 S. Marion st., Oak Park.

Marva and Juanita Meyer entertained the Misses Phyllis Nelson of Geneva, Ill., Dolores Clifford, Park Ridge, Ellen Anderson and Verneeta Alfreidson of Chicago, at the races last Saturday afternoon and at home in the evening.

Mr. and Mrs. Oscar Hart and son of Maywood visited with Mr. and Mrs. Elmer Crane Tuesday.

Rhoda Manley, Patsy Collins and Burneta Burns returned with Mrs. B. H. Jarvis from Camp Nawakwa Monday night. Mrs. William T. Grable, camp director for seven years, celebrated her birthday while they were there, and with that for one of many enjoyable occasions, the girls had a delightful week at camp.
